

Maintenance work is available at public schools across the Hunter/Central Coast regions.

The NSW Government has committed to the largest investment in planned maintenance of public schools in NSW history. A record \$1.3 billion is being spent on an ambitious delivery program, with over \$100 million being invested to upgrade and maintain school infrastructure in the Hunter / Central Coast regions.

Want to work with us? We welcome all local trade and suppliers to join us at our industry briefing at Swansea High School.
