

Valentine Public School Song 2017

"Sailing to Success"

Down by the shores of Lake Macquarie
lies a thriving public school called Valentine.
Filled with students who have no worries
and the staff are willing to give you their time.

When we're in class, we try our best,
We love to live by the Golden Rule.
Treat others fairly and give respect
That's what we do at Valentine School.

At Valentine, Valentine, we connect with others.
Oh here at Valentine, Valentine, we show care and respect
Oh here at Valentine, Valentine, we're inspired to learn
Oh yes, that's what we do at Valentine.

We connect, respect and inspire each other,
We connect, respect and inspire each other
We connect, respect and inspire each other.
We're sailing to success at Valentine.
