From the Principal's desk...

I would like start this week by thanking our P&C President Derek Vale and his band of amazing volunteers who gave their time to sell delicious Democracy Sausages and bacon and egg rolls at the State Election held at our school hall last Saturday. It was such a delight to see 3700 local people stream through our school, catching up with each other and supporting our school fundraising as they voted for the future of our First State, NSW. We even had some local people who either had a child or grandchild here currently at school and even some who had no current association with the school were paying \$5.00 a bite to each and handing over \$20 or \$50 and saying 'keep the change. This is an amazing school'. Great work P&C ...we will be bigger and better at the Federal Election. Next P&C meeting is Tuesday 9th April at 7pm.

This week will see our students attending the high-quality lessons offered by the Life Education Team on our site, so look out for Healthy Harold and the big van. Such important learning for our children will occur, addressing outcomes for the PEHPD syllabus. Healthy Harold is quite convincing!

We are diligently planning Easter Hat Parade for 11th April and our Anzac Ceremony which will be held in the first week back for students next term.

I am very excited that our Year 6 shirts have been ordered and we will all look smart in them next term. Thank you so much to Mrs Denz for organising this again and for Year 6 for having such good taste in fashion!

Late mail...our Rugby Union side just took out the Regional Competition and will now attend the State Championship. Congrats to all students, coaches and Mrs Rich. Legends!
