From the Principal's desk...

Dear Parents, Carers and Community,

What a magnificent way to wind up the second last week of an extremely vibrant term, the Colour Run was just so much fun. The absolute looks and squeals of joy that were experienced (especially coming out of the survivor tunnel) were magic! Huge thank you to Sonya and Annika who lead this fundraiser with enthusiasm and humour. Massive thank you to the parents who were able to come along, help and maybe get a little coloured/wet! Some of our dads were having way too much fun with water shooting devices! This is what we are saving for. Thank you for supporting our efforts.

Some amazing news from Darwin – Max King has won the 12years boys long Jump and is now the Australian Long Jump Champion. He also placed 2nd in Australia in High Jump and 3rd in Australia in the relay at the Australian PSSA Athletics Carnival event.

As we prepare for a two week break we reflect on all that our students have experienced and learnt in one term. Such a broad collection of social, emotional, academic, physical and leadership growth. We are so proud of all our students, for what they each bring as strengths and for the persistence effort that they apply to their whole development.

Of course, enormous respect and honour to our amazing teachers, SLSO'S (School Learning Support Officer) and Admin and General Assistant who give so much each term.

Teachers, thank you for your collegiality, your commitment and rigour and consistency and for always putting the wellbeing of our students paramount. Wishing you a very relaxing and enjoyable break with you family.

Wishing all our families a safe and happy holiday, please know we will all be waiting for our students to come back with a term of learning across K-6 prepared under the global concept of 'Interdependence'. 'It takes a village' - **Mrs Lee Saurins Principal**
